"I had a most memorable trip to splashingly colorful, friendly, fascinating India...

Which Sandy, as usual, meticulously planned and orchestrated so professionally. It was the experience of a lifetime. Sandy saw to it that everything was handled perfectly, from our extremely reasonable business class airfare, to luxurious rooms in some of the finest hotels in the world, to our warm and knowledgeable guides, to safaris that produced tigers in my camera and a frighteningly large monkey in my lap! The service made me feel like a 19th century memsahib, one who truly was welcomed." *-Mimi*

Our 4-Step Signature Planning Process

Step 1: Consult

We'll first meet for your complimentary consultation call. We'll gather more details about the kind of journey you're looking for and share more about our process— including applicable planning fees. This is your opportunity to get all of your questions answered, too! This call is crucial so we can create a truly customized experience for you.

Step 2: Propose

Next, we'll begin designing your proposed itinerary. We'll work with our hand-picked, in-country guides and tour outfitters to craft something exceptional—and highly personalized— for you. As this is a collaborative process, we'll then work with you to refine your proposed itinerary until it completely satisfies you.

Step 3: Manage

Then comes the easy part—at least for you! Our team will now book and manage every last travel component for you, and for each traveler in your group. Leave the flights, hotels, cruise cabins, tours, and all the finer details in our trusted hands.

Step 4: Support

You'll depart on your journey with complete confidence, as you'll have a team to support you every step of the way. In addition to your personal travel advisor, you'll also have access to a contact in-country you can reach out to for assistance 24/7.

FREQUENTLY ASKED QUESTIONS

How do we work best together?

Great question! We work best together when I have a clear understanding of what you are looking for in your vacation. Be as specific as you can with what you envision and honest in your feedback. Speaking of feedback, please respond in a timely fashion (24-48 hours usually) so that we can ensure pricing + availability. I ask that you do not book components of your trip without consulting me first. Most importantly, trust me! I am a travel industry professional. I work extremely hard to provide excellent service to you, my client.

Can I make changes to the proposed itinerary?

Of course!

Three changes are included in the planning fee. My goal is always to perfect the itinerary so that it suits you to a tee!

Do you book Airbnb?

While I do not book Airbnb's, the good news is that I work with vetted partners all over the world that provide fabulous houses, villas, and apartments.

Can my itinerary cost be itemized?

I work directly with my supplier partners to provide you with the best accommodations, experiences, and service at the best value. This does not always mean the least expensive. Many of my itineraries are a packaged cost. The favorable pricing is a result of leveraging my partner relationships with hotels and tour companies. We work together to provide you the best of everything at the best value.

Can I use my points/rewards?

I am not able to book reservations using your points or rewards. If you wish to do so, please let me know as soon as possible as it may impact your itinerary. You will be responsible for making those arrangements on your own, with my guidance.

What happens if I need to cancel?

If after you have made your deposit and/or final payment and you decide to cancel or change any of all parts of your itinerary, our travel suppliers and partners will charge a change or cancellation fee. These fees vary and will be outlined clearly in the supplier's Terms & Conditions that I will present with your proposal.

"We returned from a fabulous trip to Italy...

We turned the planning over to Sandy and couldn't be happier that we did. That was, by far, the best vacation we have ever had because we had such expert support. Sandy asked what we liked to do, where we wanted to go, what we wanted to spend, and she took it from there. We've never trusted a travel expert to plan a trip for us before. But thanks to Sandy, it was a wonderful stress-free vacation."

Meet Sandy

I kicked off my lifelong travel love affair with flair: A solo adventure that took me across the Atlantic for a jaunt through Europe. Well, perhaps it was more of a slow saunter - I stayed for two and a half months! This took place in the early 70's, which was an unusual time for a woman to be traveling solo abroad.

Then again, I've always taken an unusual approach to my journeys, even after trips to five continents and 70 countries. From five-star chateaux stays to rickety bus rides through the rural countryside where my seatmates were chickens (yes, chickens), I've learned that extraordinary travel moments often happen when you least expect them!
